PHILIP DE COURCY

PASTOR & TEACHER

Welcome to the Entrust Conference 2024!

We are grateful to the Lord for your joining us today. As Christian pastors and leaders from different ministries and communities, we desire to come together to grow and learn from each other under the authority of God's Word.

Our theme this year is *Counter-Culture: The Uncompromising Church*. We are witnessing the implosion of the culture, which is increasingly Christless and godless. As we navigate these changes, we are called not to be contaminated by the sin and evil that exists, but instead we "proclaim the praises of Him who called you [us] out of darkness into His marvelous light" (1 Pet. 2:8-10).

I am honored to have my friends Mike Fabarez and Costi Hinn joining us this year. Together, we address the dangers of selectively addressing social issues due to the fear of opposition and conflict with society. We will emphasize the importance of standing firm in biblical truth and having unwavering courage in the face of opposition.

As leaders, we are entrusted to call the church to be holy, to conform to God's will and not the world around it. God has sovereignly placed us in our specific communities not only to build our personal lives and church ministry but also for cultural engagement as a strong voice for Christ and the gospel.

May we continue to live our lives according to His Word, "rooted and built up in Him and established in the faith, as you [we] have been taught, abounding in it with thanksgiving" (Col. 2:7). Together as leaders, let's endeavor to be the church in this ever-changing world, faithfully remembering that the Lord has given us a never-changing Word to keep and guard us until His return.

In His Service,
